

The USO, United Service Organizations, is a conduit through which Americans can support the men and women of the Armed Forces. As a non-profit charitable organization, the USO is supported by private citizens, foundation grants and corporate gifts. We have no political agenda, just a caring supportive role in the lives that are affected by the executive and military branches of our government.

Eighty-seven percent of every dollar raised is used to directly support the US service members and their families. The USO offers an oasis to traveling military servicemen and their families at The Bob Hope USO Lounge at Cleveland Airport. USO has an office at the MEPS (Military Entrance Processing Station) to help the new recruits and their families in any way we can.

Our Canton Armory Care Package Facility boasts 10,000 care packages mailed overseas yearly. If you have seen an appreciative face, then you have looked into the eyes of the men and women who are thousands of miles away from their homes when their care package arrives. Filled with items we take for granted, these cherished packages fill their hearts with reminders that they are appreciated and not forgotten. We are the family arms that can reach out and touch them. But, we do need your help.

Our "CORPORATE ANGELS PROGRAM" allows each and every corporation to help in ways that are unique to them. From having a "Sponsor Care Package Events" to donating much needed operating supplies, the spectrum of needed support is full of possibilities. It is our hope to establish a list of generous companies willing to receive our SOS's as our particular needs arise. Our email blasts will go out periodically to our "CORPORATE ANGELS" in hopes that your company has or can find a way to help us help the troops.

It is through corporate generosity that our programs survive and flourish. Join our Angels program and your business will be listed on our "CORPORATE ANGELS" web page, appropriate signage can be on donated items and press releases may result. We are flexible and open to new ventures and relationships.

If you would like to become one of our "CORPORATE ANGELS" please fill out the attached enrollment form, or call Linda Fredrickson 216-265-3680 or fax 216-265-3678

Thank you,

Deborah Fisher
