

## CARE PACKAGES

Since the start of the war on terror, the USO of Northern Ohio has sent over 40,000 boxes of food and toiletries to our troops overseas. While we are gratefully accepting donated items for these care packages, we are also in need of monetary donations to help defray the cost of the postage. The average shipping cost is \$12.00.

*Help us send a little piece of home to our dedicated troops serving around the world, by sponsoring a USO Care Package.*

Contact one of our Care Package facilities at the number(s) below should you have questions.

Thank you for supporting our troops!
