

PHONE CARDS

Phone calls are a huge morale boost for our troops overseas and their loved ones at home.

For troops serving overseas, we recommend that you purchase brand name INTERNATIONAL phone cards which have “no hidden charges or monthly fees.” Because of the overseas per-minute-rate, **only 120 minute (or higher)** calling cards can be sent.

For troops serving stateside, we recommend that you purchase any brand name phone cards which have “no hidden charges or monthly fees.” These can be in any denomination amount.
